Thank you for buying Donnelly Chocolates

Care and Consumption of Your Chocolates

Donnelly Chocolates are made fresh and in small batches. Our products are made with fine quality ingredients and are generally less sweet than most chocolates. We recommend enjoying truffle- and ganache-based chocolates within one week of purchase. You can store truffles and ganaches in airtight wrapping in the refrigerator for longer shelf life. Our chocolates that are not truffle- or ganache-based should be enjoyed within three weeks of purchase.

New and Seasonal Items

Seasonal chocolates may also be included in your gift box. Seasonal flavors include mint, lavender, five spice gingers and chai. Our chocolates are made in a kitchen that uses nuts, wheat, dairy, oil, and may contain traces of allergens.
